

Bike Racks – Davidson County (GIS)

Metadata

Metropolitan Government of Nashville and Davidson County

What's in this dataset?

Locations and characteristics of bicycle racks throughout Davidson County, including Metro-owned racks, some privately-owned racks, and art installation racks.

Category: Transportation
Keywords: bicycle, bike, rack, art, public, transportation, transit, bikeway
Data Provided By: Public Works, Health Department, and outside agencies
Source: Various
Update Frequency: As needed

Additional Information

How is this data collected? Data was collected by multiple Metro departments and outside agencies over time via various methods and merged into one dataset. Data was accurate at the time Metro received it. Location data is accurate within 3-5 meters. The data is considered very reliable and is checked by the data owners.

What are the limitations of the data? Private bike rack locations are incomplete due to issues accessing private property.

Additional comments: None

Data Dictionary

Data Field Name	Format	Description
The_geom	Spatial	Point location of the bike rack
OBJECTID	Number	GIS file code
Type	Text	Indicates whether the rack is standard or artistic
Domain	Text	Indicates whether the rack is public or private
