Metro Credit Card Transactions
Metadata

Metropolitan Government of Nashville and Davidson County

What's in this dataset?

Details of credit card transactions made by Metro Nashville general government departments and agencies.

Category:	Budget/Finance
Keywords:	credit, card, expenditure, expense, cost, merchant, supplier, amount, budget, money, finance, fiscal
Data Provided By:	Department of Finance
Source:	Credit card provider bank portal
Time Period:	FY2016 to present
Update Frequency:	Annually

Additional Information

How is this data collected?	The data is exported from the credit card provider's bank portal. The data is considered highly reliable and is reviewed monthly by credit card holders and department reviewers. The totals in the dataset were reconciled to amounts paid to the credit card vendor.
What does each record represent?	A credit card transaction
What are the limitations of the data?	The data is only updated once per year and does not include credit card transactions for Metro Schools.
Additional comments:	None

Data Dictionary

Data Field Name	Format	Description
Fiscal Year Ending	Number	Fiscal year during which the transaction occurred
Department / Agency	Text	Department or agency that made the transaction
Merchant Name	Text	Name of the merchant where the transaction was made (The merchant name appears exactly as listed by the credit card provider, and the number of characters in this field is limited by said provider.)
Transaction Date	Date & Time	Date the transaction was made
Transaction Amount	Number	Dollar amount of the transaction (Negative amounts represent refunds.)
